\$5.00 admission at the door (receive one vote coin)

Local firefighters will prepare their favorite dish and those attending vote for their favorite. The \$5.00 admission charge includes one voting coin. Additional coins may be purchased for \$5.00 each. Once you have sampled the dishes, vote by putting your coin(s) in the box at your favorite dish.

Silent Auction:

Many firefighters have hobbies, such as landscaping, fencing, art work, physical training etc. that they do on their off hours. Our local firefighters and friends have donated a wide array of these services and items including dates with firefighters to be auctioned off during this event.

All proceeds go to the Firefighters Combat Team to bring the *Downtown Throwdown—the Firefighter's Combat Challenge* back to Casper this September 10-11, 2011. Firefighters from all around the region will compete wearing "full bunker gear" and the SCOTT Air-Pak breathing apparatus. Pairs of competitors race head-to-head as they simulate the physical demands of real-life firefighting by performing a linked series of five tasks including climbing the 5-story tower, hoisting, chopping, dragging hoses and rescuing a life-sized, 175 lb. "victim" as they race against themselves, their opponent and the clock. There will also be a Kid's Firefighter Challenge where each child is outfitted with a helmet and "turn-out gear." The events mirror those used in the Firefighter Combat Challenge.
